

Forever in our Hearts

Lyrics by Kay Song

Music by James Taylor

Hawthorn hands grow confident
helping those in need.
Even the enduring Hawthorn
once was a tiny seed.

Hawthorn minds can flourish
believing in God's power.
Every Hawthorn blossom
has a chance to flower.

Chorus

Hawthorn, Hawthorn
Hawthorn School
this is where we got our start,
living the truth in charity
forever in our hearts.

Hawthorn girls will show you
what can be achieved
with hands, mind, heart and spirit,
spirit that believes.

Hawthorn hearts find purpose
spreading the teachings of love-
like branches bringing life,
reaching to the sky above!

Chorus

Hawthorn, Hawthorn
Hawthorn School
this is where we got our start,
living the truth in charity
forever in our hearts,
forever in our hearts.
Hawthorn, Hawthorn, Hawthorn School.
