Dear Hawthorn Parents, Teachers, Students, and Staff,

Keeping in mind the safety of all our families we continue to recognize the importance of following the guidelines established by the local authorities. The well-being of everyone is uppermost in our decision and we realize the change of the March break announced last week can be disruptive.

After much consideration and discussion, as we align to the directives from the Ministry of Education and Medical Health Experts for our region, we have decided our Spring break for this academic year will begin on Monday, April 12th and end on Friday, April 23rd.

Looking at our upcoming events, we will need to make some adjustments which will be announced in the What's New. This includes a Professional Development (PD) day on Friday, March 19.

Once again, we thank you for your flexibility, understanding, and support in the face of these constant changes that this year has brought!

Please do not hesitate to email us at administration@hawthornschool.com if you have any questions.

Warm regards,

Irian Flores de Medina
School Head
