

February 25, 2021

Dear Hawthorn Parents, Teachers, Students, and Staff,

It has been a busy two weeks here at Hawthorn and our return to in-person learning last week was marked by many activities. We started on Tuesday with Mardi Gras, in house 'field trips' by level that involved both the Lower and Upper Schools, and ended with preparation for the Lenten season.

The first week was about reestablishing our existing routines and ensuring that we are all following the guidelines which keeps everyone safe. These structures help not only with the exterior order but also with the mental well-being of everyone in mind. This second week we are into routine and students are settling in well. It was great to see over 50 people joining today's All-School Assembly. Let's continue keeping our good spirits!

We are at that time of year that by now you would have received your re-enrollment packages and making preparations for the next school year. Next week, all families will receive a new version of the Enrollment Agreement and 2021-2022 School Fees.

The existing March 2nd deadline for re-enrollment will be extended for this year to March 15, 2021. Thank you for your patience and understanding as you continue to entrust us with your children's education.

If you have any questions, please do not hesitate to contact me.

Warm regards,
