To Whom It May Concern:

Hawthorn School for Girls is an independent school registered with the Ministry of Education. Hawthorn works closely with parents to provide an education that develops the whole person, by developing the mind, guiding the heart and fostering responsible behavior.

As an independent school, Hawthorn relies on tuition fees and fundraising activities to cover the operating costs of the school. Over the past years, through the generosity of our patrons, we have been able to expand and improve our facilities to meet the growing needs of our student population.

To help us to continue implementing our vision we kindly request your support. We are holding our annual Gala Dinner and Silent Auction at the Parkview Manor in North York on Friday, April 22. An attendance of 200 people is expected.

By making a merchandise donation to our event you will be supporting us in our efforts to offer a unique educational experience that prepares girls to meet the challenges of society with integrity and wisdom.

Thank you for your consideration. Your support is greatly appreciated.

Sincerely,

2022 Gala Committee
