

Hawthorn School

2023-2024 | Supply List

Junior and Senior Kindergarten

In preparation for the new school year, we ask that each student bring the following supplies on the first day of school. We will advise you soon of the designated drop-off schedule; supplies can also be brought at this time. Please note that there may be some items missing from the list, of which your daughter/son will be informed in September.

Quantity	Item	Check
1	Complete set of change of clothing in a large ziplock bag, labelled with your child's name (to be used for emergency purposes only and need not be components of the uniform)	
1	Pair of no-lace outdoor shoes with non-marking soles (for outdoor activities and for travelling to and from school)	
1	Separate pair of no-lace gym shoes with non-marking soles	
3	Boxes of tissues	
1	Backpack (large enough to accommodate three workbooks, a small agenda and lunch bag; please consider a wheeled backpack for easier transportation and to avoid any unnecessary back strain)	
1	Lunch bag	

Note: This year students will not require a separate gym bag, as they will arrive and remain in their gym clothes for the duration of the day when they have physical education classes. You do not need to purchase supplies, such as pencils, crayons, scissors, etc., for use in school; these will be provided for all students.

Please ensure that all items coming to school are labeled with your daughter's/son's name so that lost articles may be returned to their owners. Furthermore, you will be notified if particular supplies need to be replenished.
