

THE HAWTHORN SCHOOL

Red Carpet Gala

HAWTHORN SCHOOL
Charity#: 88570 6416 RR0001

Hawthorn School is an independent all-girls school from Pre-K to Grade 12 located in Toronto, Ontario. At Hawthorn, girls develop a love of learning and build good habits for life. That's because a Hawthorn education delivers academic excellence and character development in an integrated way. Our university-preparatory classical liberal arts curriculum fosters critical thinking, cultural literacy, and growth in virtue. Extra-curriculars, service projects, sports, visual and dramatic arts, and music are all part of our vibrant community. At the heart of our philosophy is the benefit of a Catholic education that focuses on the moral development of each girl.

The Gala is one of Hawthorn School's major fundraising events of the year. As a non-for-profit, we rely heavily on the support of generous individuals/companies like you/yours. We invite you to support our wonderful school by becoming a DONOR or SPONSOR.

SPONSORS/DONORS WILL BE HIGHLIGHTED: Verbally and visually at the event, in publicity leading up to the event, and/or in the event program

All attendees will be treated to an evening of **dinner, dancing, entertainment, auctions, raffles, and games!**

Proceeds from the Gala will go towards the biggest needs of the school, including:

- **Science Lab Renovation** – to support inquiry-based learning
- **Gym Viewing Gallery Addition** – to elevate school spirit, sportsmanship, and community engagement.
- **Robotics Program for the Lower School** – ensuring our young learners strengthen the foundational skills of innovation, problem-solving, and creativity.
- **Junior School Playground Update** – a refresh to ensure a safe, welcoming, and engaging outdoor space for our youngest students.
- **Student Life and Co-Curricular Activities** – expanding opportunities that enrich the formation of the whole person.
