

Hawthorn School

2025-2026 | Supply List

Upper School (Grades 8-12)

In preparation for the upcoming school year, we ask that each student ensure they have the supplies they need to be ready to learn from day one!

The following is a list of suggested supplies based on what students have found useful in previous years.

We will advise you of the designated drop-off schedule; or supplies can be brought on the first day of school. Please note that a teacher may require additional specific supplies for their class. In this case, your daughter will be informed in September.
